The history is full of successful men, who started their life in very difficult conditions but later on they became a part of successful and famous personalities of the world. Success, respect, and fame never serves in a plate to you, only, wealth can be serve in a plate, and it ~~has~~ also has a <sup>compulsory</sup> bid, that your ancestors should have property, then you will get it.

From wealth you can buy basic goods, but not happiness. Sometimes, it takes many centuries to earn respect, and takes a bit to ~~become~~ <sup>become</sup> disrespect or controversial for human.
