Batch # 065

Question No. 01

Why most of us fail in our efforts for self-improvement?

Most of us fail in our efforts for self-improvement because our plans are very energy consuming and demanding but we are short of time. We cannot do it religiously due to shortage of time and the other major mistake is the announcement of our goals to everyone and we feel guilty when we are not able to achieve it.

Question No. 02.

Our basic mistake is to announce our goals to everyone because when we are not able to achieve that ambition or goal and go back to the previous routine we may look stupid.
