

day / date:

The history is full of these people who start their life with very difficult circumstances. But, with passage of time they counted in world famous and succeeded personalities.

Success, respect and publicity, no one will give you in your hand, just wealth could be give in your hand. But there is a condition for this that the wealth belongs to your descendents then you will get this.

You can buy or fullfill your basic needs of life but you can not buy your happiness.

Sometimes, Men spend tens year to buy respect, But a moment is enough to become notorious.
