

Translation

If the world fails to entice you, if your eyes well up with tears out of fear of Allah, if the thought of Hell ignites in you the sense of Divine's Fear, if you worship Allah with the Devotion He is due, if virtue attracts you and you falter on the path of wrongdoings, then you are among righteous. Some are born righteous while other strive to become one. Being righteous is a fortune, but becoming righteous is journey of continual self purification and struggle. It takes time and requires enduring hardships.
