History is filled with stories of such people who started off their ~~poor~~ life journey with the harshest circumstance but later rose to be named among the most successful and reknown people. Success, respect and fame are never served to anyone on silver plate, ~~for them~~ ~~you~~ it is only possible for wealth and that too comes with a condition that your ancestors must own it to be inherited by you. You ~~can~~ ~~only~~ buy worldly delicacies with it but true happiness stills remains beyond its grasp. Sometimes it takes decades to ~~become~~ earn respect and only a moment can bring it down to disgrace and controversy.
