Total words of precis: 78

The earning of every sound minded and mature man is not monetarily oriented. ~~As for him,~~ the purpose of his earning is primary and the money made out of it is secondary. The essence of every profession lies in serving selflessly instead of focusing on fee. Although pay holds importance, but the objective of prioritizing the ultimate outcome of one's job is evident in different fields of life. The bravery of a groomed and an able man is reflected in his work.
