Question

Translate the following into English, keeping in view the idiomatic/figurative expression.

History ~~was~~ full of ^{such} those people who started their life in difficult situation. But moving ahead, they become successful and well-known personalities. ^{of the world} Success, respect, and fame do not awarded.

are not served to you in a plate
There is a just wealth that can be awarded. But for that purpose, there is a condition that your forefather should have wealth. you can purchase everything from wealth rather than happiness. Sometimes, most of the time has been passed to earn respect but there is a singular moment to be disrespect.
to become controversial
need improvement 5/10
