

Q:-

Answer:-

Attempt in idiomatic and proverbial manner plz

IF the world did not bother you,  
IF you had tears in your eyes by  
the fear of ALLAH (SWT), IF the thought  
of Hell rises love for ALLAH (SWT) in you,  
IF you do not ever prosper exactly as  
it is, IF the good deeds attract you,  
and you just stop going to woeful  
things then you are righteous. Some  
are righteous, some make themselves  
righteous. Every person are righteous -  
Becoming righteous is a continuous  
process of Tazkiyah and Mujahideen.  
It takes time and pain.
