Command over basic language is fine

Precise

Title: Mission of life is to win battles.

It is physically impossible for a brave man to make money for his dinner.

But, dinner is not the main object of their lives.

So, all healthy people enjoy the sensation of winning. It is something better than money.

A good soldier, his main mission is to win battle. The clergyman's object

is essentially to preach. But, not to

Suggested titles for today's precis

"Money is not the End"

"Profession as a priority over money"

be paid preaching. A good doctor will

patience for free. They desire to cure the sick.

trained. the brave man that their work is

first and fee is second.

Suggestions for improvements:

Do not make complex compound sentences

Begin and end precis with a precise/short sentence

Avoid enlisting

Do not explain all three examples separately, rather give an essence
