## Urdu → English Translation

If the world doesn't attract you, if  
fear of Allah brings tears to your eyes,  
if the thought of hell fire <sup>instills</sup> scares you,  
if you worship Allah as required, if  
doing good attracts you, and if you  
move away from bad deeds, then you are  
doing right. Some are <sup>born</sup> already righteous  
and some become right. Being righteous  
is a blessing. Righteous being pure  
and defender of faith. This takes  
time and requires endurance to  
difficulties.

Mature your sentence structure  
Translation should be idiomatic
