

English Translation Test-2

DATE: 30/09/2024

If the world does not pull you towards itself, if tears come to your eyes out of fear of Allah, if the thought of hell instills the fear of Allah in you, if you worship Allah like it should be done, if goodness attracts you and you stop from the evil path, then you are righteous. Some are righteous, some become righteous. Being righteous is matter of fortune. Becoming righteous is the process of purification and struggle. It takes time and requires enduring hardships.
