Memoranda

If world doesnot appeal you, if
your eyes fill up with tears due to
fear of Allah, if imagening hell creates
fear of God in you, if you do worship
of Allah in such a way as it should be,
if virtue attracts you, and your steps
donot move towards vice, then you are
virtuous. Some are virtuous. Some try
to be virtuous. To be virtuous is a
fortune. To become virtuous is a continuous
of purification and struggle. It takes
time and ^{one} has to bear hardships.

Translation should be idiomatic
