If the world doesn't attract you, if the fear of Allah brings tears into your eyes, if the thought of hell activates the fear of god in you, if you worship Allah like you should, if the right path attracts you and your feet stops you from the bad path, then you are virtuous. Some are born virtuous, some become virtuous. Being virtuous is a blessing. Becoming virtuous is a continuous process of self-awareness and struggle. It takes time and needs to face the hardships.
