Title is not accurate

Precis

Title: The Path of Success is more beautiful than goal

For all educated men, just making money for food can never be a life dream. Food is necessary for life, but not the basic goal. So, a healthy mind loves money, but the path of achieving it is more beautiful.

A passionate soldier loves fight fighting

He will only critique if kept away from his job. As, his mission is to win battles, not

salary. Similarly, the amount/money could never be a reward for

profession/legion. In doctor's case, the life of patient is more important than money.

He loves fee, but

to cure not to kill. At all, for a fair personality, job always comes first.

Begin and end precis with a precise/short sentence
