Precis

Suggestions for improvements:
Do not make complex compound sentences

Begin and end precis with a precise/short sentence

Avoid enlisting

Do not explain all three examples separately, rather give an essence

Ideal words for this precis: 78

Q Write a precis of following

For well-educated and courageous individuals, money should not be the primary focus of life ~~same as~~ dinner is not the main purpose of living despite its importance. Clear people may enjoy making money but they value their work more. For instance, soldier's main goal is to fight and win battles not just to be paid. Similarly, clergyman prioritize preaching and doctors aim to cure their patients. Although fee is important but dedicated professionals always prioritize their duty over financial reward.

Open with a short sentence

Cannot add examples in Preci in that way

Title: The Priority of Purpose over Profit
