

Profession

Purpose Over Profit

It is impossible for an educated man to prioritize wealth on its work. ~~They~~ like wealth but as ~~secondary~~ need. A good soldier preferred to win the battle, a clergyman's objective is to preach and even a doctor ~~can~~ save the life of a patient without considering money as a primary need. All sensible people give importance to work and perceives wealth as secondary.

sentences are too long

Word Count?

precis is incomplete

and it is not according to the context of the main passage

need improvement

there is no word count and the title is not relevant

0/20

not satisfactory
