If the world doesn't lure you, if tears come to your eyes out of fear of Allah, if the thought of Hell instills fear of God, if you worship Allah as it should be done, if you are attracted to good deeds and refrain from bad deeds then you are among the righteous or pious. Some are born righteous, some try to be righteous. Being righteous is matter of good fortune. Becoming a righteous person is the process of purification and struggle. It requires time and enduring hardships.
