Badge no OB-55

History is full of people who ~~have~~ started their life with very harsh circumstances but with time they got enlisted in successful and popular personalities. You never get success, respect and glory without struggle and hardwork. You can only get wealth served ~~in place only~~ ~~on~~ one condition that your ancestors have it, only then you get it. you can purchase ~~wordly~~ ^{things} material with money but you cannot buy happiness. It takes decades for man sometime to earn respect and ~~one second~~ it takes one moment to become controversial and unvaluable.

Translation should be idiomatic
