Translation:-

History is full of <sup>such</sup> successful people who started their life in the most difficult conditions but went on to become successful and famous personalities of the world. Success, honor and fame are never handed to you on a plate, only wealth can be handed to you on a plate but with a condition that it should be owned by your ancestors, then you will get wealth. With wealth you can buy worldly luxuries but not happiness, you cannot buy happiness. Sometimes it takes many decades for a person to earn respect, but only a moment is enough to ~~earn~~ ~~humiliation~~ or become controversial.
