Humanity: A Choice of Well Educated Person

A person with high moral values and intelligence always ~~uses~~ ^{keeps} his ~~heart~~ ^{mind} for work first, rather than money. Main motive of their lives is to win in the work they do, which they claim is better than winning money. For example, a soldier wishes to serve his nation. A clergy opts to preach. A good doctor seeks to cure his patients rather than

Suggested titles for today's precis:

"Money is not the End"

"Profession as a priority over money"

Suggestions for improvements:

Do not make complex compound sentences

Begin and end precis with a precise/short sentence

Avoid enlisting

Do not explain all three examples separately, rather give an essence

Ideal words for this preci: 78
