Title: Experts Prioritize their
Work over Charges

Use words from the passage

The main goal of professionals' life is not to make money. As ~~healthy~~ people ~~only enjoy their dinner and mentally fit workers like the process of making money instead of money.~~ For instance, soldiers prioritize to win wars, clergymen focus on preaching and doctors want to save their patients rather than their dues. ~~Inst~~ ~~It~~, experts' primary object is their work and secondly their fees.

Total words = 180

Precis words = 62

Write underline idea than example that they prioritize services

Cannot use the word for instance

Suggested titles for today's precis

"Money is not the End"

"Profession as a priority over money"

Suggestions for improvements:

Do not make complex compound sentences

Begin and end precis with a precise/short sentence

Avoid enlisting

Do not explain all three examples separately, rather give an essence

Ideal words for this
