TITLE : Purpose of Life is Not Money

It is not possible for well-educated and brave to make money and make his dinner the principal thing. As for the good mind people, soldiers and clergymen's their main purpose is not making money. So of doctors they like money because they are not brave and well-educated. Like all other brave and well-educated men, their is first and money is second.

Suggested titles for today's precis

"Money is not the End"

• Profession as a priority over money

~~Suggestions for improvements:~~

Do not make complex compound sentences

Begin and end precis with a precise/short sentence

Avoid enlisting

Do not explain all three examples separately, rather give an essence
