

# Precis

Making money is liked by every healthy person. However,

few brave and intellectual

Avoid writing in passive plz

individuals money is not the

sole purpose of their life.

Certainly, there are other

important goals for them.

For instance, a solicitor or

clergyman, their passion is

doing their work rather than

getting money. Another example

is of doctors. A doctor who

is mettle and well-educated,

his main concern is to

cure the patient rather than

just paid for his work.

When he has fair choice

he would cure the patient

with less fee than billing him

job higher fee. Although  
 money is very significant, but  
 job well-learned and outgoing  
 individuals their work is  
 their primary concern and money  
 is secondary.

### Suggested titles

"Money is not the End"

Title: Work: A Primary objective  
 of well-trained individual.

### Suggestions for improvements:

Do not make complex compound sentences

Begin and end precis with a precise/short sentence

Avoid enlisting

Do not explain all three examples separately, rather give an essence
