

~~importance of work in intellectual life.~~

All the train individuals give priority to humanity rather than money. They want to earn

money. ~~Rephrase~~ ~~Respect~~ this, it is not a necessary part of their life. firstly, They wish to earn reputation in society. ~~Because~~

~~Respect~~ is more important for them. Like a soldier wish

to win the battle. similarly clergy wants to preach his knowledge in the same fashion.

Doctor gives first priority to his patient. Fee is important

for them. But not for his profession. Because all intellectuals

give importance to his work.

Suggested titles for today's precis
"Money is not the End"
"Profession as a priority over money"

Suggestions for improvements:

Do not make complex compound sentences

Begin and end precis with a precise short sentence

Avoid enlisting

Do not explain all three examples separately, rather give an essence
