Comprehension Paragraph

1) Why most of us fail in our efforts for self-improvement?

Answer:

Most of us fail in our efforts for self-improvement because we set unrealistic goals in excitement, but later on it becomes difficult for us to follow our plans. Due to this reason, we also find it hard to break our bad habits and continue to follow our bad routine.

2) Why is it a basic mistake to announce our resolution to everybody?

Answer:

It is a basic mistake to announce our resolution to everybody because people around us make fun and humiliate us, when we are unable to pursue our goals. This behaviour demotivates us and as a result, we get back to our bad habits.

3) Why did the writer not carry out his resolution on New Year's Day?

Answer:

The writer did not carry out his resolution on New Year's Day because he spent his whole night

in a party on New Year's Eve. Due to this reason, he woke up late and was unable to carry out his eight resolutions on the very first day of the New Year.
