

Name: Mehvban Arif Awan

Batch: 366

LMS ID:

History is filled with successful people who have seen extremely difficult situations in the beginning of their lives but later on become successful and renowned personalities of the world. Only the generational wealth is served in plate but success and respect are never being served in plate. With wealth you can buy material worldly things but you cannot buy happiness. Sometimes, it takes decades to earn respect but it only takes a moment to lead to disgrace or to make it controversial.
