Batch 053

If the world entice you, the fear of Allah brings tear to your eyes, the nation of Hell adds fear of God, if you worship Allah as He should be worshipped, virtue attracts you and your feet stop you from going towards sin; then you are virtuous.

Some people are virtuous, others seem to be virtuous. To be pious is a matter of ^{good} fortune. To become virtuous is a continuous process of self-conscience and purification. It takes time and adversities are also endured to become one.
