The Educated People Prioritize: Work over Wealth

Well educated people do not prioritize money as main objective. All the healthy minded people focus on satisfaction of achieving money, which is more valuable than the money. As an illustration, A soldier wishes to winning battles rather than salary. Similarly, Clergyman aim is preaching instead of getting money. Doctors like fees, but their purpose to cure their patients. All the educated people prioritize work

Just give an essence of examples

Suggested titles for today's precis

“Money is not the End”
“Profession as a priority over money”

Suggestions for improvements:

Do not make complex compound sentences
Begin and end precis with a precise/short sentence
Avoid enlisting
Do not explain all three examples separately, rather give an essence
