~~Money can be ser-~~

History is full of such people who started their lives from scratch with severe difficulties but <sup>later</sup> they turned out to be reputable and famous in the world.

Money can be served in a plate only if you have generational wealth, but respect and success is earned and can't be served in

a plate. Money can't buy happiness, it can only be ~~the~~ means for worldly materials.

At times, it takes decades to earn but it <sup>only</sup> takes a moment to be disreputable.
