Answer

"If the world does not pull you towards it, if tears well up in your eyes out of fear of Allah, if the thought of Hell instills the fear of God in you, if you worship Allah the way He deserves to be worshipped, if goodness attracts you and your feet refrain from walking on the path of evil, then you are righteous. Some people are inherently righteous, while others become righteous. Being righteous is a matter of god's feature, but becoming righteous is a continuous process of purification and struggle. It takes time and involves enduring hardships.

Decent attempt.
