History is replete with examples of Successful individuals who faced hardships in their early years. However, these very same individuals eventually joined the ranks of the most successful and influential people on the planet. Success, respect, and fame are never handed to you on a platter. Only wealth can be handed to you on a plate, <sup>provided that</sup> you have inherited it from wealthy ancestors. Money may be able to buy life's luxuries but cannot buy happiness. Often it takes ages to gain respect, but only mere moments to become notorious and controversial.
