Precis: Title: Work is prioritable over money.

An intellegent, skilled and honest person does not prefers wealth over his work. Like poet is

Plz explain more

not the purpose of a person's life. A great

soldier, love to fight not for sake of salary.

Priest love to preach not for being paid, an

honest doctor is more interested in

curing his patient not the fee. A true man

prefers work not money.

Suggested titles for today's precis

"Money is not the End"

"Profession as a priority over money"

Suggestions for improvements:

Do not make complex compound sentences

Begin and end precis with a precise/short sentence

Avoid enlisting

Do not explain all three examples separately, rather give an essence
