Title: Spirit of Serving

People with great values are less likely to chase money. Although money brings satisfaction to their lives but it is less imperative than their work. Intellectual professionals ought to serve the core purpose of their jobs. Hence, money is a second thing to their spirit of serving their jobs.

write 75 words precis

complete the word count

read the basic rules of precis writing and resubmit the precis

there is no word count written

precis is supposed to be 1/3rd of the total words not more not less

0/20
