ENGLISH TEST - 1

Command over language is fine

PRECIS WRITING

Monetary compensation is never the prime objective of a learned and characterful man. A great warrior is focused more on fighting bravely than being paid for it. Similarly, religious preachers are motivated by their passion for spreading religious teachings and not worldly gains.

And so do the medical professionals

Suggested titles for today's precis

"Money is not the End"

"Profession as a priority over money"

lives of their patients, dedicate services to addressing ailments of needy. Hence, all noblemen prioritize their duty/craft over the pennies.

Suggestions for improvements:

Do not make complex compound sentences

Begin and end precis with a precise/short sentence

Avoid enlisting

Do not explain all three examples separately, rather give an essence
