

## Translation

if the world does not  
attracts you, if the tears are  
begin from your eyes due to  
the fear of Allah. if the  
fancy of hell terrify you, if  
you do the worship of Allah  
in such way like the way  
it should be done. if the  
virtues attract you towards  
them, then you are virtuous,  
some are virtues. Some  
become virtuous, it is  
fortunate to become virtuous.  
it is an act of continuous  
purification of life and  
observation of experiments. it  
takes time and hardships  
of life also bears.

if your eyes become teary ...

imagination of hell

and your feet refrain from going on the evil path ...

and one has to bear  
hardships as well

need improvement
