

There are several successful names in the history, who has started their lives with many hardships but later they are included in the famous renowned persons list.

Success, Honour, and fame never gives you a piece of cake except money

but in this case if your forefathers has properly then money will gives you as a

piece of cake. you may buy worldly things from money but not happiness. Sometimes, it takes too long to earn respect by human but ~~there~~ for the dishonour, it takes a moment.
