

but late on they were counted among the successful and renowned personalities of the world

سُکھ

History is full of people who started out tough but later on went on to leave their mark on life. Success, respect^{and} fame are never easy to come by. Money, on the other hand, might be if one's ancestors were rich. ~~It~~^{Wealth} can buy any thing ~~except~~^{in the world} happiness. ~~Sometimes, one~~ One may spend an entire lifetime cultivating respect but some may ~~lose~~^{all} it on a flash.

this contextual translation is ok but you have changed the theme of Urdu passage

it is preferred to translate word to word
