Question # 2

Post-imperial Consciousness of Colonizers and Colonized

Imperialism has changed the psyche of both colonizers and colonized. The colonial powers had made a narrative to justify their authority that portrayed colonized people as beneficiaries. This relationship was bilateral. At present, the colonized ones have painful memories, but for colonizers, it's a historical change. The post-imperial consciousness is divided about its history.

Question # 3

Answer #01

Bashiran's family continued collecting charity because they saw it as a business opportunity. Her family's financial condition was improving more after ~~receiving~~ receiving charity. They want to earn more by collecting charity.

Ans # 02

In Karachi, a lot of people give charity, but there is ineffectiveness in distribution. There is no proper mechanism of verification of the ones who receive charity. Due to this, often those people receive it, who do not deserve at all.

Ans # 03

The writer is trying to convey the message that how people

are justifying their wrongdoings.
People see charity as a business
and get involved in it, even though
they do not deserve.

Ans # 04

People like Bashuran's family
hesitate to stop collecting charity
because they got addicted to
dependency. They see it as a
business opportunity. Moreover, they
have seen the miseries of life,
and after receiving money for the
first time without doing any work,
they assume it as the best solution.

Ans # 05

The long-term impacts of unchecked
charity practices on society are; people
stop doing work to earn bread, it
merely reaches to the one who
truly deserves, and people become
addicted to it, losing self-sufficiency
and their dignity.

Question # 04

- ii. Neither the teacher nor the students know the answer.
- iv. She advised me to take a break.
- v. If I had seen him, I would have told him truth.
- vi. The committee has announced its decision.
- vii. He is one of those writers who have won many awards.

Question # 05

A.

As the rain poured outside, the detective turned to the suspect and said, "I know you're hiding something."

Date: _____

Day: _____

The suspect looked away then muttered.

"What makes you think that your silence for one," replied the detective.

"Besides, you were seen near the warehouse that night." "That's impossible," he snapped, "I was out of town."

"Really?" The detective leaned forward and placed a photo on the table.

"Care to explain this." Then, the suspect stared at the image, his eyes narrowing.

"Where did you get that?" he whispered.

"That doesn't matter," said the detective.

"What matters is the truth."

uxorious person.

Question # 07

Translation:

Ramanujan was a British-Indian mathematician, whose work is now used in space technology. In childhood, due to unfavorable circumstances and having no interest in subjects other than mathematics, he could not get admission in college.

Ultimately, a British professor, Hardy took him to Cambridge, where he was honored with a B.A degree. The digit 2520 was his discovery. This digit has a characteristic that it can be divided by any ~~num~~ digit from 1 to 9. Ramanujan was vegetarian. Due to not getting appropriate food in England, this genius died in 1920 at the age of only 32. A feature film has been made about him in India.
