

Title: The Psychology of Colonizers and Colonized.

The Colonialism imperial ~~h~~ deeply affected the psyche of both Colonizers and Colonized. Western powers like Britain and France used the idea of Civilizational Superiority to justify their rule and portray it as beneficial, making resistance seem unreasonable.

However, the colonized people also absorbed some social colonial ideas, feeling both resentment and admiration. In places like Africa, colonial rule is remembered with mixed feelings - both as a time of oppression and some order and development. While colonized nations remember their suffering former colonizers often see decolonization as a loss of purpose and identity. This has led to divided and confused understanding of the colonial past on both sides.

Q:3

Q:1

Because they have grown accustomed to relying on charity in their community, they have become needy and habitual recipients, and human nature is greedy, their needs are never fully met.

Q:2

We can infer that charity distribution in Karachi may face issues of inequality, lack of proper monitoring or inefficiency due to a lack of coordination in assessing genuinely needy families.

Q:3

"Unfortunately", charity and religion have become commercialized, with some exploiting the system to generate income in the name of collecting donations."

Q:4

They have grown reliant on charity, and over time, their dependency has increased due to insatiable greed, turning it into a business opportunity for them.

Q:4

Q:5

Our lack of thorough assessment before giving charity has inadvertently created a culture of begging in Pakistan contributing to a rising number of beggars.

Q:4
