

## PART - II

Question: 2 : Precis

27/80

Overall idea is ok

Title needs improvement.

Grammar is ok.

Topic: The Post Colonial Viewpoints ✓

The Divided Legacy of Colonialism

06/20

The profound effect of imperialism on the mentality of colonials is illustrated by the domineering mindsets of colonizers, a subject often neglected by scholars. Colonizers portray themselves as civilizers of the world, while dismissing resistance as unjustified. However, colonized are confused between the memory of exploitation and a soft corner for civilizational concepts. Although, colonization may be considered as manipulative, but colonizers considers decolonization as moral decline. Hence, the post imperial viewpoints are blended.

Question : 3

07/20

1. Bashiran's family continue collecting charity even after becoming financially stable because collecting charity became kind of business for them. They became used to of collecting charity and thinks that their financial stability is because of charity and zakat collections.

In comprehension answer each question comprehensively

Do not be irrelevant in your answer

Please enhance length of each answer

Read the passage carefully

2- Charity distribution in Karachi is not that effective because non-deserving people also collect charity despite being financially stable. Hence, it is difficult to identify deserving and non-deserving people. wealthy donors should verify the recipients properly whether they are deserving or not.

3- The phrase "No business is bad, and no religion is greater than business" means financial gain has become more important than ethical or religious values. collecting zakat and charity despite being financially stable is a kind of business for the recipients of zakat and charity and they justify their immoral deeds calling it a business and separating it from religion.

4- People like Bashirwan's family might hesitate to stop collecting charity because they believe that their financial stability is due to the charity. If they stop collecting charity they might become poor again.

5- There would be adverse long-term impacts of unchecked charity practices on society. Unchecked charity practices would be beneficial for those who collect charity despite being financially stable. On the

other hand deserving poor people would not get charity despite being in need. Resultantly, poor would remain poor and mean people would add up to their wealth. Consequently, the poor who does not get charity for their needs, they would indulge in other illegal activities to fulfill their needs.

## Question: 4

vii- He is one of those writers who have won many awards.

## Question: 5 · punctuation

03/05

A

As the rain poured outside, the detective turned to the suspect and said, "I know you're hiding something." The suspect looked away then muttered, "What makes you think that your silence for one?" replied the detective. "Besides you were seen near the warehouse that night." "That's impossible", he snapped, "I was out of the town." "Really?", the detective leaned forward and placed a photo on the table, "care to explain this?" Then the suspect stared at the image, his eyes narrowing, "where did you get that", he whispered. "That doesn't matter", said the detective, "what matters is truth!" ✓

out thinking of the consequences.

Answer no #7

04/10

Ramanogen was a British-Indian Mathematician whose work is still being used in Space technology. Due to unfavourable conditions and lack of interest in other subjects except Maths, he was unable to get into college. Finally, a British professor, Hardy, took him to the Cambridge, where he was awarded with BA degree.

A number, 2520, is his discovery, which is divisible with all the numbers from one to nine. Ramanogen was Vegetarian. Hence, could not get appropriate nutrition. Due to which he could live till 32 years only and died in 1920. A feature film had made on this in India.

Attempt in idiomatic and proverbial manner

Focus on grammar please

Do not attempt word by word
