As the rain poured outside, the detective turned to the suspect and said. "I know you're hiding something!" The suspect looked away

35

then muttered, "What makes you think that?" "Your silence for one," replied the detective. "Besides you were seen near the warehouse that night." "That's impossible!"

he snapped, "I was out of town really!" The detective leaned forward and placed a photo on the table. Care to explain this? Then? the suspect stared at the image.

His eyes narrowing, "Where did you get that?" He whispered. "That doesn't matter," said the detective, what matters is the truth!"

Ans to Qno: 5 B

Q2 Ans: The effectiveness of charity distribution in karachi is not keenly observed as many wealthy donors do not identify ~~use~~ if their recipients are genuine. Their charity is wasted because it does not reach the needy ones. So, the needy ones do not come out of poverty as the distribution of charity is not that effective.

Q3 Ans. The writer is trying to convey the message that there is a business everywhere.

It shows that, for some, financial gain has become more important than ethical or religious values.

NO religion can stop businesses. People tend to follow what is profiting them not what is good or bad. They prefer their businesses first inspite of religions.

35

Ques: They might hesitate to stop collecting charity because when they started collection, they were in ~~real~~ need but now they own couple of plots, cars and home wages. They should go for ~~real~~ & and true dignity.

Ques: The passage suggests that giving charities in such ways is not only wasting the charities but forcing such families to collect more. With the passage of time more families involve in this and collecting charity becomes a ~~business~~. This ~~unlocked~~ charity practice creates turns to be a ~~business~~ in long-term where already established families like Bashira's benefit and the needy ones struggle for lifetime.
