

Title:

The Divided Legacy of Colonialism

05/20

The Psychology of Colonizers and Colonized.

The ~~of~~ ~~Colonialism~~ ~~imperial~~ it deeply affected the psyche of both Colonizers and Colonized. Western Powers like Britain and ~~France~~ used the idea of Civilizational Superiority to justify their rule and portray it as beneficial, making resistance ~~see unreasonable~~ ^{Sentence Structure}. However, the colonized people also absorbed some ~~Social~~ colonial ideas, feeling both resentment and admiration. In places like ~~Africa~~, colonial rule is remembered with mixed feelings - both as a time of oppression and some order and development. While colonized nations remember their suffering former colonizers often see decolonization as a loss of purpose and identity. This has led to divided and confused understanding of the colonial past on both sides.

As the rain pouted outside, the detective turned to the suspect and said, "I know you are hiding Something" the suspect looked away, then muttered, "What makes you think that?" "Your silence, for one," replied the detective. "Beside, you were seen near the warehouse that night?" "That's impossible!" he snapped. "I was out of town" "Really?" the detective learned forward and placed a photo on the table. Care to explain this, then?" the suspect stared at the image, his eyes narrowing. "Where did you get that?" "He where did you get that he whispered. "That does not matter," said the detective. "What matters is the truth."
