The Divided Legacy of Colonialism

Duality of Imperial Rule 04/20

Imperial hierarchies are deeply infiltrated in both colonizer and colonized psyches. The concept of colonial civilization by Britain and France gave them authority of imperial governance which was considered subversive and irrational by the metropole. But this imperial relation was never unilateral, the colonized, though oppressed, negotiated imperial norms. For instance, the memory of colonial rule in parts of Africa oscillates between oppressor and good governance. While postcolonial subject may retain oppression but former colonizer perceive it as a loss of moral purpose. In this duality, today's minds are confused with mixed feelings and different beliefs about their past.

Q1: maybe they were so greedy that even after owning property and vehicles they were not satisfied. (They were dependant on charity)

Q2:- Answer:-

Charity distribution in Karachi seems to be quite ineffective. Like Bashiran's family there are many other families <sup>who</sup> are taking away the wealth and goods belonging to the poor. Sadly, wealthy donors give without verifying the recipients' needs, unintentionally wasting their charity.

Q3: Answer:

The writer is trying to convey the thought process of uneducated and illiterate people of Pakistan. They ~~don't~~ don't follow any religion and they are willing to cross any boundaries for their business (money).

Why might people like Bashiran's family hesitate to stop collecting charity?

Q4:- Answer: You have not addressed the question

People like Bashiran's family should hesitate to stop collecting charity because it is immoral and unethical to take away what belongs to the poor. Moreover, it creates poverty in the society. Poverty and hunger further leads to crime and many other felonies.

Q5:- Answer:- The passage suggests that charity creates a culture of dependency and dishonesty that leads to people taking aid even after becoming financially stable.
