10. Conclusion

- a) Restated thesis
- b) Summary of main ideas

The Essay

"Media has the power to inform, educate and inspire. It can be a powerful tool for social change, holding those in power accountable and giving voice to the voiceless."

(Anna Politkovskaya - Russian Journalist)

Media plays its pivotal role in the Palestine-Israel conflict.

In fact it is a single authority so far, that fights in favour of marginalized community of Gaza.

Media persons mainly brave Journalists have broadcasted the whole tyranny. It shows the true abhorrent face of Israel. Documentaries have been made and

misery of Palestinian people are brought in front of the whole world. Print media and social

media are also not far behind in this pursuit, playing significant role alongside digital media and traditional media. Blogs are written and analysis have been conducted on different media platforms, related to Israel-Palestine conflict. Social media has highlighted this

issue through decentralized news and Hashtags like #FreePalestine, #SaveGaza. It mobilizes public opinion that leads to protest in every country. People are raising their voices and questioning the powers. Aids have been provided to Gazans and NGOs of human rights have played significant role on this part. Journalists in Gaza were even at risks for their lives and many of them were killed by Israeli forces. The most prominent of them was Shereen-Abu Akleh. She was French Journalist who was shot dead by Israeli forces. Motaz Azaiza and many media figures rescued lives of innocent children in Gaza. So, Media acts as a sole power against Israel's oppression. It has raised awareness, promoted human rights and hold powers accountable. Social media hashtags led to protests all over the world. Journalists played active role in humanitarian works in Gaza.
