social media figure that follows social media trends and self-branding for the influence. Resultantly, a (bureau) bureaucrat is part time influencer now. Some argue that the posts inspire youth, while some say this act distracts them from the actual duty. But here comes the real point that the societies where symbols outweigh substance, the image of authority can rival real authority. Ultimately, the image of civil servants, both on and off screen, has become as influential as their actual authority. Hence, it can shape youth's destiny.
