The civil service profession has been evolving from need obsession to a platform to become social media influencers. As in past, civil service was a secure profession with unlimited opportunities to excel in professional life. But, due to highest competition, it became obsession for many aspirants. Aspirants wanted to achieve this seat at any cost. Now, in modern period it is not only a public service but also a platform to become a social media influencer. Aspirants inspire from fascinating lifestyle rather than real public service. So, this profession became a mixture of real public service and social media influencing. It is a motivation not based on real responsibilities of civil servants. So, real inspiration in Pakistan is not in images but

Ultimately, the image of civil servants, both on and off screen,
has become as influential as their actual authority.
