Helen Keller, in her autobiography, expressed her wish if she were granted eyesight for only three days, how she would spend her life. Of spending her life some differently, if she would be blinded with vision for three days. According to her, at the first day, she would look at the faces of her loved ones, to see how the spirit of love reflects through eyes. At the second day, she would look at the nature e.g. the sunrises, the greenery of trees, the colors of flowers, and the bunnies of the field. At the third day, she would want to see the hustle of the world, the movements in markets, theatres and the sculptures of art, to know about the creativity of being. For her, the gift of vision for three days would be equivalent of eradicating the darkness of whole life.

From Public Service to Personal Branding

Title: - changing perspective regarding civil service of Pakistan 05/20

The civil service in Pakistan, being one of the respectable career paths, is now being observed under different perceptions. Many aspirants consider it as a platform for stable, respectable and sufficiently paid job. To them, civil service also guarantees the access to power corridors.

But, some aspirants consider it as a ladder towards material elevation. They take it as a 'die and die' situation, thus pay the cost of their physical and mental healths.

Overall idea is ok just only to occupy that romanticized seat. further,

Title needs improvement.

The bureaucrats also, in this era of social media, also

forget representing the fancy look of civil servant, instead

of getting committed to efficient PSD. Thus, the result

comes as a strange hybrid of a public servant and an

influencer. To some, it is necessary for inspiration, but

to others is the cause of distraction from committed goals.

Q1 :- The writer has highlighted various examples to show

how food is linked with different situations in Pakistan.

He has portrayed biryani as a solution to every problem.

Furthermore, the link of rain with pakoras, depression with

haleem and heatwave with falooda presents the never-

ending love of food of Pakistani people. According to him,

even the cricket matches are well known for the

stalls of gol gappa outside the stadium. The hobby is

deeply attached with 'Qulshan wali Biryani' and the

adventures of Pakistani people are strongly attached

with trying extra spicy foods and shawarmas at midnight.

Q2 - The cricket match in Pakistan also serves as a spot

of getting around the snacks. For the Pakistani

people, the end result of the cricket match,

either joyful or strenuous, comes with the real victory of enjoying gol gappa. The only reason is the deeply ingrained love and connection of Pakistani people with food.

Q3:- According to the author, the amusement parks in Pakistan are not worthy enough to offer entertainment. For him, these parks can only offer the discomfort to the people, as the rides are not much in a good and comfortable situation. So people tend to adopt food-loving habits to better entertain themselves.

Q4:- According to author, this love of food has a strong and health effect on the lives of Pakistani people. The issue of obesity and hanging bellies is now much prevalent.

Due to despite this love and crave for food, the waistlines of people have expanded much. But, the horizons have not expanded, meaning that the mindsets, priorities, living patterns, and thinking standards of people have not changed.

Q5:- If it would have its own Disneyland or Broadway, people's reliance on food for recreation might not change much. First, Pakistan being the center of cultural richness, the loved subcontinental cuisine and the spicy flavors; deeply reflects in the habits of people. The love for food among Pakistani people is much strong. The cultural and historical context attached to Pakistani cuisine have strongly influenced the people. Secondly, the financial constraints and economic affordability baseline of Pak, on the average, would compel people still to go for the expensive

less expensive food spots rather than fancy ones or non Pakistani cuisine spots

Let us explore the meaning of the quote, "Do unto others as you would have them do unto you", said the teacher. The student replied, "Does it mean that if I want kindness, I must first show kindness?" The teacher nodded and said, "Exactly it is about treating people the way you wish to be treated". The student smiled and added, "So, if I respect others, I am more likely to be respected in return?" "Yes", the teacher concluded that it is the golden rule of life.
