### QUESTION #2

From Public Service to Personal Branding

Title: The Civil Service in Pakistan and the Social Media

05/20

Overall idea is ok

Title needs improvement.

Grammar is ok.

The Civil Service in Pakistan has evolved from a purely public profession to a hybrid of social status and personal branding. Previously, there were two types of people in the country. One, those who were seeking stability. While the others pursued it as a mere measure of social worth, some of whom even compromised their personal lives and well-being. But, currently, bureaucracy in Pakistan is embracing social media thereby showing a focus in serving looks beyond the administrative tasks. Resultantly, it is becoming a hybrid of public and social media service. Although, this glamour may distract the youth from real work off the camera. But the inspiration of youth is more valuable in the countries where image is more popular than the substance itself.
