Q6
B

Two little frogs were playing about the edge of a pool, when an ox came down to the water to drink, and by accident trod on one of them and crushed the life out of him. When the old frog missed him, she asked his brother, where he was?

"He is dead mother", said the little frog. An enormous big creature with four legs came to our pool this morning and trampled him down in the mud. Enormous? ~~was he~~ was he was as big as this? Said the frog, puffing herself out to look as big as possible. Oh yes, much bigger said the little frog, and yet again she puffed and puffed herself out till she was almost as round as a ball, as big as she began, but then she burst.
