

• Muslim belief in Prophethood

INTRODUCTION: Undoubtedly, the belief in Prophethood is one of the key factor of Islam religion. The Muslim believe in the Prophethood. No prophet can be the last except the ^{last} prophet of Allah. This belief in other words differentiates between the Muslims and the Non-Muslims at all. This is because previously, it was a complexity between the prophets but things are very clear, and easy due to the last Prophet (Peace-Be upon Him). The Last Sermon of Hazrat Muhammad (Peace-Be-upon Him) is the best example of Prophethood. This belief in Prophethood brings a true way towards the desired life both here and life here after too.

(2)

Allah Almighty sent one lac and twenty four thousand Prophets just because of few reasons there are

• (i) Guidance :-

Yes, These Prophets guided the mankind and presented a way for the betterment of man. Undoubtedly, it is totally true that From the First Prophet to the Last Prophet Hazrat Muhammad (Peace-Bc-upon-Him) gave the same message of Allah, message of uniqueness, betterment, peace, humanity and prosperity.

(ii) Belief in Allah

Yes, Prophets were sent by Allah, to know the belief trust and attachment with the creator. As, no one deserves that belief, and attention except Allah.

لا إله إلا الله محمد (صلى الله عليه وسلم) ^{As}

(3)

This simply means, only Allah needs the attention, he is the only one and Hazrat Muhammad (Peace Be Upon Him) is his Prophet and Messenger.

(ii) Role of Women - presented by Prophets

Previously, Women were buried and insulted publically but As Islam came All the Prophet presented a true role and status of women. As the last Prophet Hazrat Muhammad (Peace Be Upon Him) also presented the status and Role of Women.

(iv) Solution of all problems

All the major and minor solution of all the problems can be easily resolved with the guidance of these Prophets.

(v) Actual Knowledge of Islam

The true and actual knowledge of Islam was given by the all Prophets of Islam and man became aware of each and everything regarding his life.

(4)

(vi) About Contemporary issues of life

The contemporary issues of life regarding the trade, marriage, war and the diplomacy are best understood by the prophets of Allah. This is the reason behind the arrival of the prophet of Islam.

(vii) Prophets - A light for Man

These prophets shifted a man from darkness to light. There was no any proper knowledge and the awareness among the people so, Allah Almighty sent these prophets and everyone became at ease and comfort.

(viii) ^{The} Last Prophet - an example

The life of the last prophet is the great example for all the mankind.

(5)

In short, the belief in Prophethood just makes a man as a perfect muslim. Moreover, the Prophets were sent by Allah to advise the people regarding the rights of women, belief in Allah, and all the challenges find the perfect solution just because of the arrival of these all Prophets. The last Prophet of Islam Hazrat Muhammad (Peace - Be - upon Him) is the great example for every Muslim and his life is the perfect example for whole mankind.

Q.2. Challenges faced by Women today

INTRODUCTION

Undoubtedly, Women are the essential part of our ~~the~~ society. It has been observed that since the early period Women are facing number of unexpected and unfair issues. As Arabs used to do all those things that were against the humanity and Islam. Likewise, still in twenty first century Women are facing a lot of challenges that are social violence, injustice, gender based issues, educational barriers and rights etc. These all are the rising challenges for the women in today's society. These are discussed below one by one-

Challenges faced by Women today

(i) Social Injustice:

Women face social injustice. A woman is still unable to get her social and other basic rights. Today in the age of AI and modern technology still, there are few areas with narrow concept where women are given low importance and here social rights are violated.

(ii) Inferiority factor in society

Yes, this is another contemporary challenge faced by women in today's society. Still people insult, rape and murder the women and women get inferiority factor still.

(iii) Educational barriers

Women, specially in rural areas are not even able to pursue

⑧

their higher education this has become another major challenge for women as well.

④ Economic burden

Women who run their family face both responsibility and economic burden this is also another rising issue for today's women.

⑤ Psychological disorder

Such new challenges ultimately lead towards the psychological disorder as well. The responsibility burden, economic barriers, and social violation lead towards the social and psychological disorder.

⑥ Gender-based Violence

Yes, the Gender Based Violence is also another major

(9)

challenge faced by women in today society. The violation of gender ethics, values and rights is observed in today's society.

(iii) How Islam resolves these challenges Islam always presents a unique and perfect solution of any problem and challenge of women in today's society. As it gives the following key step and ways.

Islam provides a balanced path

Yes, the Islam provides a balanced and neutral way for the women rights and the solution of their contemporary challenges.

Islam urges to seek knowledge
Islam urges to seek knowledge

(10)

from cradle to grave to know the true and possible solution of rights and challenges in today's society.

It gives perfect status

Islam gives a perfect status to all the women to pursue the rights, and women have equal rights to ask for their rights.

It gives Quraan and the teachings of last prophet Islam gives the light of Quraan and the Hadis that are the teachings and sayings of Holy Prophet (Peace-be-upon-Him), that help a lot in understanding the true rights of women.

It gives the perfect solution

(11)

With possible steps in
contemporary era.

In short, these
are the contemporary challenges
faced by women in
Islamic society. Islam
provides a complete code
of conduct for the
solution of all the
contemporary challenges
faced by women. It
gives a notable status
to women in society
and it is a beacon
of hope and belief
for all the women in
this contemporary period.
